Circle how you worked it out.

I said the week from Monday until I reached Wednesday, then kept going.

I guessed, because the cards were face down.

Next Monday is a public holiday, so nobody comes to school.

Is Monday a weekend day now? Circle yes or no.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
--------	---------	-----------	----------	--------	----------	--------

yes no

Circle the reason.

Monday is still a school day. The weekend is Saturday and Sunday, and that does not change.

Monday is a weekend day this week, because the school is shut.

Circle the two days that are the weekend every week.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
--------	---------	-----------	----------	--------	----------	--------

A blank card has been put after Sunday.

Circle the day that should be on it.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
