

Put the whole school day in order.

Write 1 to 8 in the boxes, starting with the one that happens first.

lunch

arriving

home time

fruit break

music

writing

reading

play time

Writing is before fruit break. Play time is after fruit break and before lunch.

Reading and music are both after lunch, and music is the last of those two.

These events are in order.

Answer the questions underneath using the pictures.

arriving

writing

fruit break

play time

lunch

reading

home time

What happens before lunch?

What happens after lunch?

What happens before play time?

What happens after fruit break?

Count on from the day that is marked.
Write the day you land on. Do not count today as one of the days.

1

	today					
Mon	Tue	Wed	Thu	Fri	Sat	Sun

Count on 4 days. _____

2

				today		
Mon	Tue	Wed	Thu	Fri	Sat	Sun

Count on 3 days. _____

3

					today	
Mon	Tue	Wed	Thu	Fri	Sat	Sun

Count on 2 days. _____

4

			today			
Mon	Tue	Wed	Thu	Fri	Sat	Sun

Count on 5 days. _____

In two of these the count goes past Sunday and the week starts again.

This is the class timetable.
Use it to answer the questions underneath.

Mon	Tue	Wed	Thu	Fri
 library	 music	 sport		 assembly

When does the class have library?

When does the class have sport?

What happens on Friday?

How many days are there between library and sport?

How many days are there between music and assembly?

Count the days from one to the other, not the days you land on.
